“WHO AM I 1”

The one who speech less
Confident in front of many people
Feel shy when meeting new people but
Be fussy when already know him

I can only be understood by myself
Others can never understand me
Every time I feel happiness after that I have to feel sadness

Every time I wake up, I only think about how to be successful
How to make my parents dream come true
There is much that they expect of me

I feel like every time I try so hard for
Something, my efforts are in vain and it
Makes me confused as to why I am

Sometimes I feel lacking in
Any way even though
Everything is enough for me
And I often can't be grateful

That is me
Maybe my efforts are in
Vain because I can't be grateful
I will try to be even better to be grateful for whatever it is and
so that I can be successful

“WHO AM I 2”

How long will it take?
To know myself
To understand myself
Who am I?

The grass laughed
The sand dances
If you know
I don't know myself

Now I try
Trying to understand myself
I'm a teenage girl
The girl who was asking questions about herself

I do not expect
Others can understand me
Because I'm alone
Hard to do

Though actually
I really want too
Others understand me
Just to understand what I'm going through

May I?
If I expect someone else
It seems like a waste of time
Because the only one who knows me is me

“WHO AM I 3”

This is me, I am
Not her not them
Someone who is aware of less and more
About everything that happened

I thought growing up was easy
In fact, I give up easily
Sometimes too many problems
Which makes life directionless

I am me
Which has a goal that I want to achieve
Other people don't know about me
I just want to try to entertain myself

I try to be silent from all that hurts
Always learn peace
And looks relaxed
But sometimes thoughts are always scattered

They call me lola
Where I always think slowly
But I'm proud of myself
Although other people think that way

I am myself
Him and them
Don't force me accordingly
Once not, I'm still me

“WHO AM I 4”

A destiny has been outlined
Making me a human with a warrior spirit
Successor of the state will be
Every step I take
Rash to shape the dream
With an increasingly fiery soul

A baccalaureate
Perched a toga on the head
Ready to fight to bring beloved country
Seen by the eyes of the world

Mother Earth is tired of fighting
I only feel sorry for her struggle and tears
My job is to make you proud
As a child of a noble nation

Aren't morals higher than knowledge?
I bow my head, speak softly
I am a person who devotes himself to knowledge
Spreading light regardless of time
Instill love for the motherland so that the nation remains
united

I am happy in seeking knowledge and studying
Being away from my parents and family doesn't make me
lonely
That too for my future

Serve religion and country
Steady heart

On the path of the Divine
When times are getting crazier
Regulations are considered non-existent
I will stay loyal

“WHO AM I 5”

You ask me who I am?
I don't know myself either
All I know is I'm afraid of my thoughts
But I've never been afraid to try

I'm like a miniature
Small size does not reflect the price
Short, tiny, cute and precious
Always beautiful to look at

People see me like a dwarf
Like a malnourished person
But in fact I am a loyal person
Until moving on takes a long time

Don't look from the cover
Summarize at will from what is seen
I'm a sensitive person with a human attitude
Like to think about useless things

Who I am only myself knows
All I know is I'm a lonely person
Always need the best of the best
Not feeling less but always feeling not good enough

I'm a hypocrite
Can survive even though it hurts
Not use feelings to do good
Then it's easy to go and forget like never knew before

“WHO AM I 6”

My self?
I am stil confuse about my self
Who am I

Myself?
Don't ask about my self
Find out for your self about my self
So you can believe it

I'm too blinded by the contents of her own mind
Who never felt confident
Always afraid of what will happen

My life is me,
All my shortcomings are the most beautiful gifts
That I should be grateful for

If you want to know about me
You can find out by yourself
So, don't judge the book by its cover

I can't be someone else
And other people can't be like me
This is me as I am

“WHO AM I 7”

Myself?
I'm not sure
I need to ask another
Who am I?

Do you think my life perfect?
Do you think I don't have problems?
No, that's all wrong
I'm just hiding behind a smile

Do you think I'm naïve?
Do you think I'm obedient?
No, that's all wrong
I'll rebel when my freedom taken away

So, who am I?
Why does everyone think wrong about me?
But, don't you expect too much from me
You can know me if only you're close to me

Do you think I'm friendly?
Do you think I like challenges?
Yes, that's all right
I like to try new things

Do you want to know me?
Here, come closer
You will find by yourself
So, who am I?

“WHO AM I 8”

Who am I? I asked myself
On your glasses
Seeing me before
Heard me from another voice

So who am I?
I'm a girl
Hopeful girl
Not just a dream

Visible little girl
But not a child anymore
Instead, start thinking about the future
Without despair

I'm the youngest
Be the last hope in my family
I will prove that I can
Make that wish come true

At the age of 19, little by little my dreams are starting to come true
Who had always wanted to go to college
This year it has been released up to the second semester
And hopefully, I will get a bachelor's degree on time

I hope for the future so much
I will try to make it happen without much delusion
I will live everything that I face now
Because life is not just a fantasy
Remember! Dream in life but not live in a dream

“WHO AM I 9”

About me? You wouldn't understand me
No one understand me even myself
I am moodily
Move by desire

Like a lion who is fast asleep
Looks so calm when in solitude
Deadly when disturbed from his deep sleep
That's me with my anger

I'm like a leaf loosed from its stalk
Always running wherever the wind takes me
Always falling when the wind is gone
Crushed when the wind takes to fire
That's me and my ambition
I'm a cat
But I'm also like an eagle
Spoiled like a cat
Also able to fly high alone like an eagle

Everything I feel
Everything I think
Willn't be able to understand
Can't be written only on a sheet

Like covered in the moon
The sun that can't be seen at night
Only a small light can be seen
That's how I am

“WHO AM I 10”

Who am i?
Question that often I asked to myself
Yeah, often I didn't recognize myself
Sometimes I act and think out of my control

Even when my teacher told me
Analyze your self!
I don't know me
My strengths, my weaknesses
That annoying thing

If someone says, “ you don't know, you don't love”
Do I love myself?
Yes, I doubt it
I wish I did it

Sometimes I think, “there is another soul on me?”
In front of other, I'm not me
Masked
Without daring show the really

Ya, of course I'm dissapointed of that
So, I blame my self
That's wrong
That also hurting me, I know
I'm trying hard to remove it

So, if you keep asking
Who am I?
I doubt it
I'll be back when I find out
